

# Beverly Place

4410 - 117 Avenue, Edmonton | 780.479.4693

Beverly Place features 73 units, including four accessible units and six double units. The lodge has inviting outdoor courtyards to enjoy, complete with lawn swings, a fountain and a small community garden to lend a hand in, if desired. During winter months, the newly-renovated lounge is a bright, spacious area where friends can sit by the fireplace and enjoy one another's company while watching the snow falling outside the picture windows. Seniors will enjoy our comfortable homey feel here in our lodge. For those who would prefer to stay in, we always have plenty of activities to offer at Beverly Lodge. Residents may take in a leisurely game of bingo, some active "Fun and Fitness" or join the knitting club. We also offer outings to such places as museums, casinos, restaurants, major shopping malls, farms, country drives, etc. Other activities include band entertainment, yearly barbecues, gardening, birthday parties and crafts. Beverly Lodge also has a number of outside services that come to the lodge regularly to provide even more convenience to its residents. These services include a hairdresser, blood pressure clinics, chiropractic services, denturist and dental hygienist, foot care clinics, hearing clinics, presentations by Alberta Health Services, religious services, library drop off and several fashion and cosmetic vendors.
